

Cruises in the Helsinki Archipelago

The best summer moments
— to enjoy life

Local cruises in the archipelago are part of summer in Helsinki, and popular with locals & visitors. **70 % of the Helsinki area is in the Archipelago: come and see how beautiful Helsinki truly is.**

You can just enjoy the scenery, or also have a drink, or eat at the same time: *m/s Doris* & *m/s Doris II* are the most popular sea view restaurants in town. We serve hundreds of business guests and local people daily: 75 % of the guests are locals and business groups.
