Good times in Helsinki!

Local cruises in the archipelago are part of summer in Helsinki, and popular with locals & visitors.

The Helsinki Archipelago has 315 islands and 70 % of the city area is in the archipelago. So... make a cruise and see so much more!

Great value! All this in 1½ - 2½ hours:

- See & learn so much more of Helsinki
- See & experience a real archipelago
- Take great photos... good memories
- Relax, rest and sit down to enjoy life
- Sun deck & terrace with great 360° view
- Also: sea view café, bar, restaurant, wc
- Save time: combine with coffee or meal & discover classic Nordic cuisine & foods
